Ordering Automated Surface Observing System (ASOS) Site Technical Manual (STM) S100 and Changes from the National Logistics Support Center (NLSC)

GENERAL

A new update to the ASOS STM is now available from NLSC. This update consists of replacement pages (change 2) for the ASOS STM, rev A. This publication can be obtained from NLSC, using Agency Stock Number (ASN) XASOS-Tech-Chg-2 or National Stock Number NWS9-93-190-0001.

This note provides information on how to obtain publications for the ASOS program STM, binders, and changes. Other required forms and publications for the ASOS program can be obtained from the logistic supply system.

Personnel requiring items from NLSC should either initiate an order using the consolidated logistics system or contact their designated regional focal point.

PROCEDURE

All publications and forms for the ASOS are listed in Engineering Hand Book -1 Catalog, section X. Below is a list with the description and ASN to use when ordering a complete set of the most current publications. These items are essential to the ASOS field technician.
