

Additional sites authorized to perform Modification Note 65

General:

This errata sheet includes an additional four (4) sites authorized to install an S100-FMK126 to provide uninterruptible power supply (UPS) to the data collection package cabinet. The sites listed in this errata have been authorized by the **National Weather Service Change Form S01101** and **S01136**.

Procedure:

Delete AQW (North Adams, MA) from the table in appendix A, page A-1.

Append the following table to Modification Note 65, page A-2.

<b>Additional Sites to Install a UPS into the ACU</b>			
<b>Site ID</b>	<b>City, State</b>	<b>Region</b>	<b>Authorization #</b>
DLN	Dillon, MT	Western	S01136
MNN	Marion, OH	Central	S01101
OVE	Oroville, CA	Western	S01136
TDZ	Toledo, OH	Central	S01101

Effect on Other Instructions:

None.
